Below is a Google Maps link to the car park location, there will be a barrier (it will be raised) and a sign that says permit holders only. This rule only applies during the daytime.

We can park in this car park during the evening for free, no need to display anything in your car.

https://goo.gl/maps/6ZytxY4NAZSFcH5U7

This is what the entrance to the car park looks like

Drive round the white building:

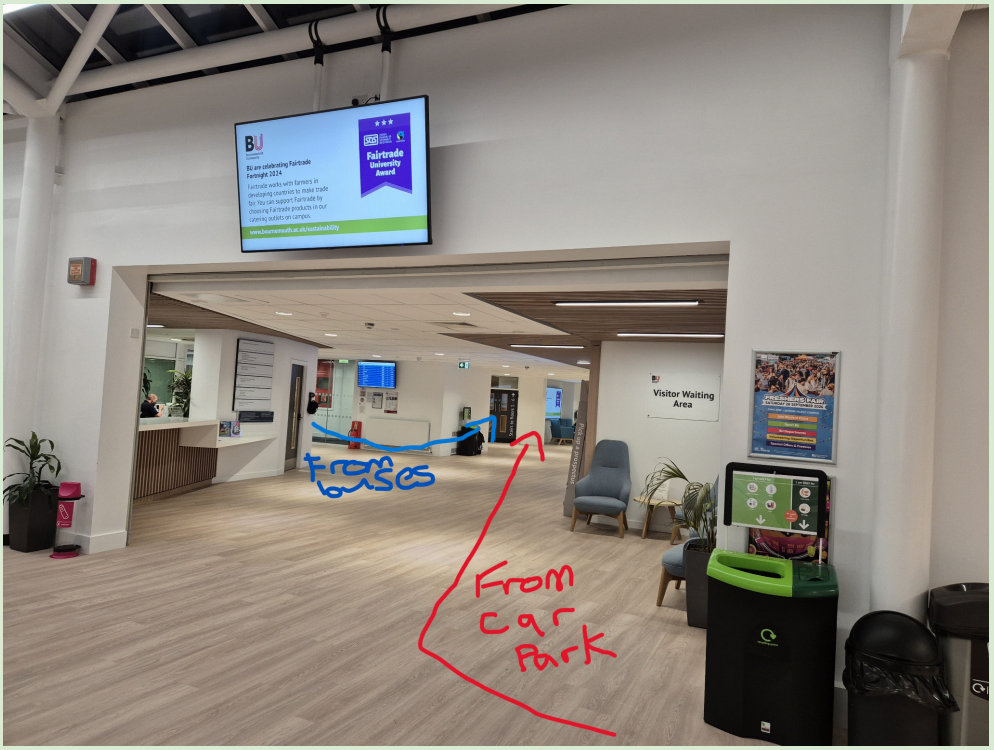
From the car park, you need to walk down past the right hand side of the Fusion Building, and head straight down from there.

Poole House is the building straight ahead of you if you keep going straight from the car park, with the entrance next to the graffiti wall:

If you enter from the bus stop side, the main entrance takes you straight into Poole House.

If you are coming from the car park near the Fusion Building then you won't see this entrance.

Once inside the building, head past the reception/security desk. Coming from the bus station you turn left. Coming from the Fusion Building car park direction you turn right.



Head past "The Hub" and down the corridor behind "Career Zone". There is a sign to the Seminar Room / PG22.

The meeting is being held in Poole House room PG22. This is called "The Seminar Room", ID: PG22

There will be arrows which say DAAS directing you to the room we meet in.
